1. The following is an examiner's statement of reasons for allowance:

Applicant's amendments to claims submitted on 03/15/07 have been entered. Applicant amended claims to overcome the rejections presented under 35 U.S.C 101 and 35 U.S.C. 112, first paragraph. The claims now recite statutory subject matter because they produce a tangible result. Specifically, Applicant claims outputting the data elements in the target area of the document which produces a tangible result. Applicant points to page 1, line 11 to page 3, line 5 and figures 4 and 13 of the Application to show support for these amendments (i.e. statutory subject matter).

Therefore, claims 1-3, 5-7, 9-15, 17-19, and 21-26 are allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rachna Singh whose telephone number is 571-272-4099. The examiner can normally be reached on M-F (8:30AM-6:00PM).
